

6 Litre Dispenser with Infuser

Perfect for parties any time of the year

Before First Use

Hand wash all of the parts in warm, soapy water, then rinse and dry thoroughly. Run warm, soapy water through the tap to clean it, then rinse thoroughly.

Using Your Dispenser

Add slices of fruit, for example lemon and lime, to the infuser and then place it into the dispenser.

Fill the dispenser with water and then leave it to infuse for approximately 30–60 minutes.

Use the tap to dispense the infused water.

Note: The water and fruit must be changed daily.

Cleaning Your Dispenser

The dispenser is not dishwasher suitable.

Hand wash all of the parts in warm, soapy water, then rinse and dry thoroughly.

Run warm, soapy water through the tap to clean it, then rinse thoroughly.

The dispenser and all of its parts must be cleaned thoroughly after each use.

Storage

Store in a clean, dry place.

Caution

The dispenser is not suitable for use with freshly boiled water. Boiled water must be left to cool for a minimum of 10 minutes before it is added to the dispenser.

The dispenser is not suitable for use with carbonated beverages.

Exercise caution if moving the dispenser when it is full.

Do not use the tap as a handle when picking up or moving the dispenser, as this could cause damage.
